

Tuesday, March 17
10 AM – 12 PM

Conference Room 2, CSW 64,
UN Headquarters New York

the 15th Anniversary
of World Down
Syndrome Day –
WDSD 2020

Changing the Status of People with Down Syndrome for Good: Mothers, Families and Professionals Laying the Foundation for the Future

This side event will bring together Down syndrome advocates to discuss the challenges women and families face when they welcome a child with Down syndrome into their home, and the concrete cultural, legal, and policy changes that can help women and families welcomes and care for children with Down syndrome as children, and help persons with Down syndrome transition through youth into adulthood.

UN Pass required to attend.
