Our Lady's message at Fatima of prayer, penance, and reparation is more necessary than ever to defend against attacks on human life and the family.

**FRIDAY, 12:00 – 8:00 PM
September 15, 2017**

Come and spend the day in prayer with us for the defense of human life and the family around the world with the UN Statue on its first visit to Washington, D.C.

Touch first class relics of the newly canonized saints, Sts. Jacinta and Francisco Marto, visionaries of Fatima. Hear visionary Sr. Lucia Santos' own words in a special rosary Friday night. Learn from personal testimonies about how Our Lady's powerful intercession brought conversion "from Mohammed to Jesus," and inspired hope in the midst of suffering in war-torn Congo.

Come be a part of this exceptional experience with Our Lady and the relics of the new saints of Fatima.

**SATURDAY, 9:00 AM – 5:00 PM
September 16, 2017**
